

A.O. 28-1974

March 19, 1974

Mr. Thomas F. X. Foley  
New Jersey Motor Truck Association  
P. O. Box 160  
East Brunswick, New Jersey 08816

Dear Mr. Foley:

This will acknowledge receipt of your letter of March 11, 1974.

Under the terms of Chapter 83 of the Laws of 1973, political activity "includes all efforts to seek the influence, the content, introduction, passage or defeat of legislation in the State of New Jersey," and therefore, your organization would appear to be required to submit all information relative to your legislative representative in Trenton.

However, the Chancery Division of the Superior Court has entered a Temporary Restraining Order which prevents the Commission from enforcing the filing deadline for the Annual Report. Under these circumstances, you need not have filed this report. However, we will amend the report previously filed by you to include your March 11 letter and its disclosure of legislative activities. I have enclosed a copy of our instructions which you might review for the purpose of determining whether you have disclosed all expenditures for "political activity".

Thank you very much for your letter.

Yours very truly,

David F. Norcross  
Executive Director
