

Opening ELEC Registration and PIN Application Form

Because ELEC's Registration and PIN Application is an Adobe Fill-in form it will only work when opened in the free Adobe Acrobat Reader or Adobe Acrobat Professional.

If you are having issues opening the form, use the following steps.

Open the form using the Internet Explorer web browser

This browser will open the form in Adobe Reader if installed.

If using the Chrome web browser;

The Chrome web browser uses its own PDF reader by default. This reader will not open ELEC's form because it was designed in a Adobe software application. You may get an error like this:

Please wait...

If this message is not eventually replaced by the proper contents of the document, your PDF viewer may not be able to display this type of document.

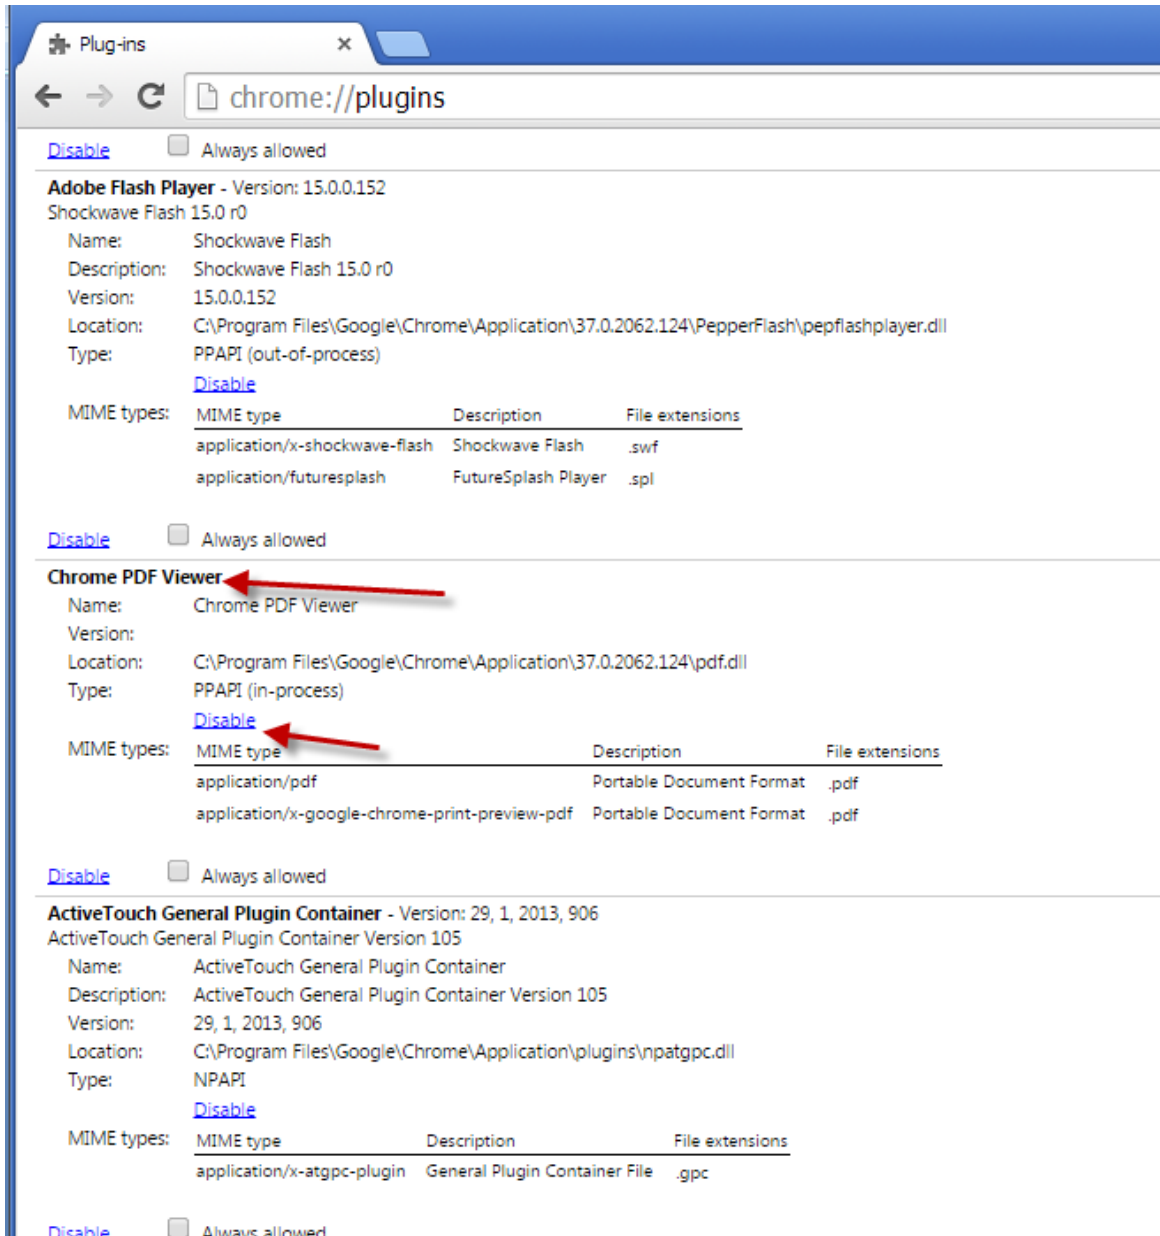

You can upgrade to the latest version of Adobe Reader for Windows®, Mac, or Linux® by visiting <http://www.adobe.com/products/acrobat/readstep2.html>.

For more assistance with Adobe Reader visit <http://www.adobe.com/support/products/acrreader.html>.

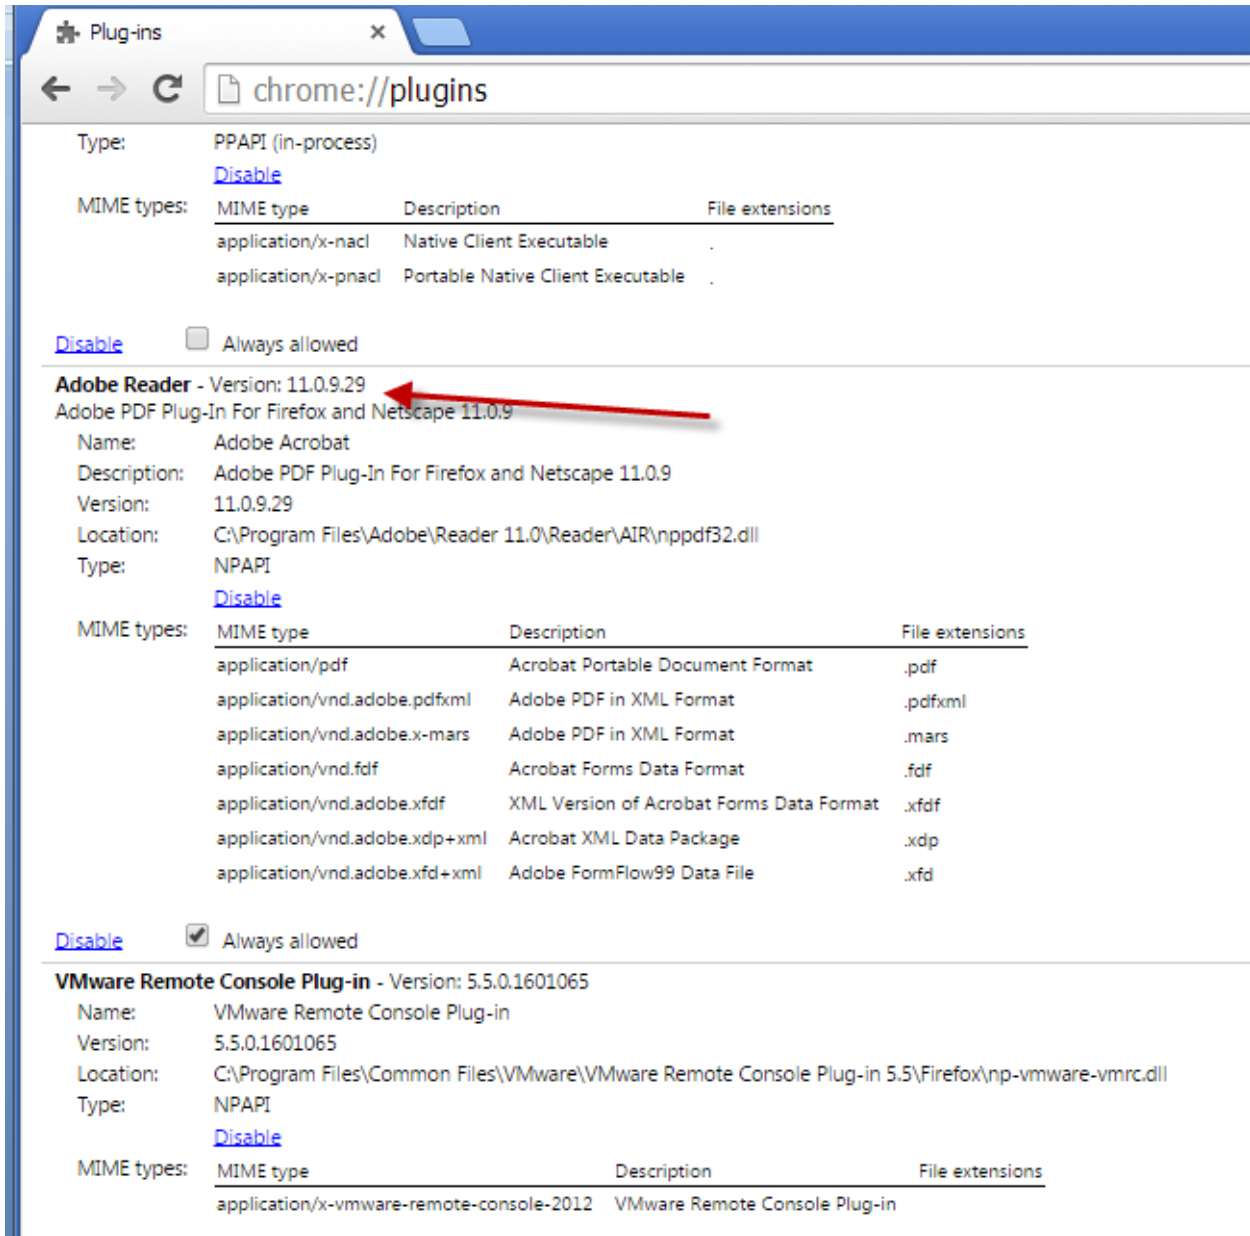

Windows is either a registered trademark or a trademark of Microsoft Corporation in the United States and/or other countries. Mac is a trademark of Apple Inc., registered in the United States and other countries. Linux is the registered trademark of Linus Torvalds in the U.S. and other countries.

You will need to change the default application for opening PDF's in the Chrome Browser.

In Chrome go to Chrome://plugins, Scroll down to the Chrome PDF Viewer and disable it.

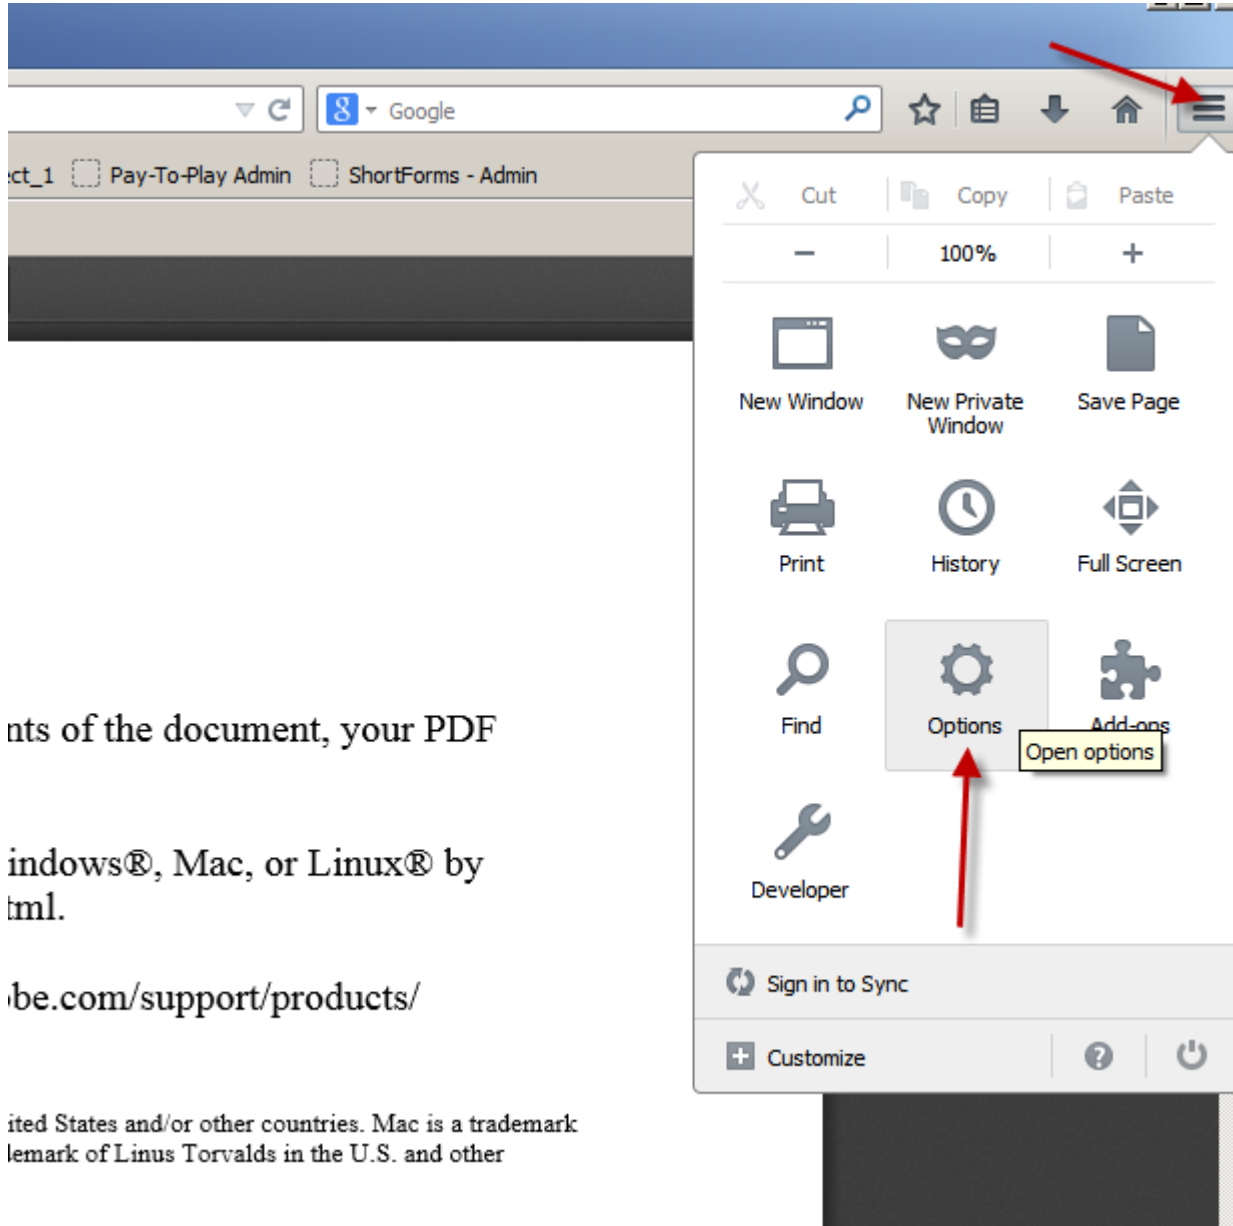

Now, scroll down further to the Adobe Reader plugin and make sure it's Enabled

The Registration and PIN form will open in the Chrome web browser now.

Use similar steps for Mozilla Firefox.

In the Firefox browser go to Options

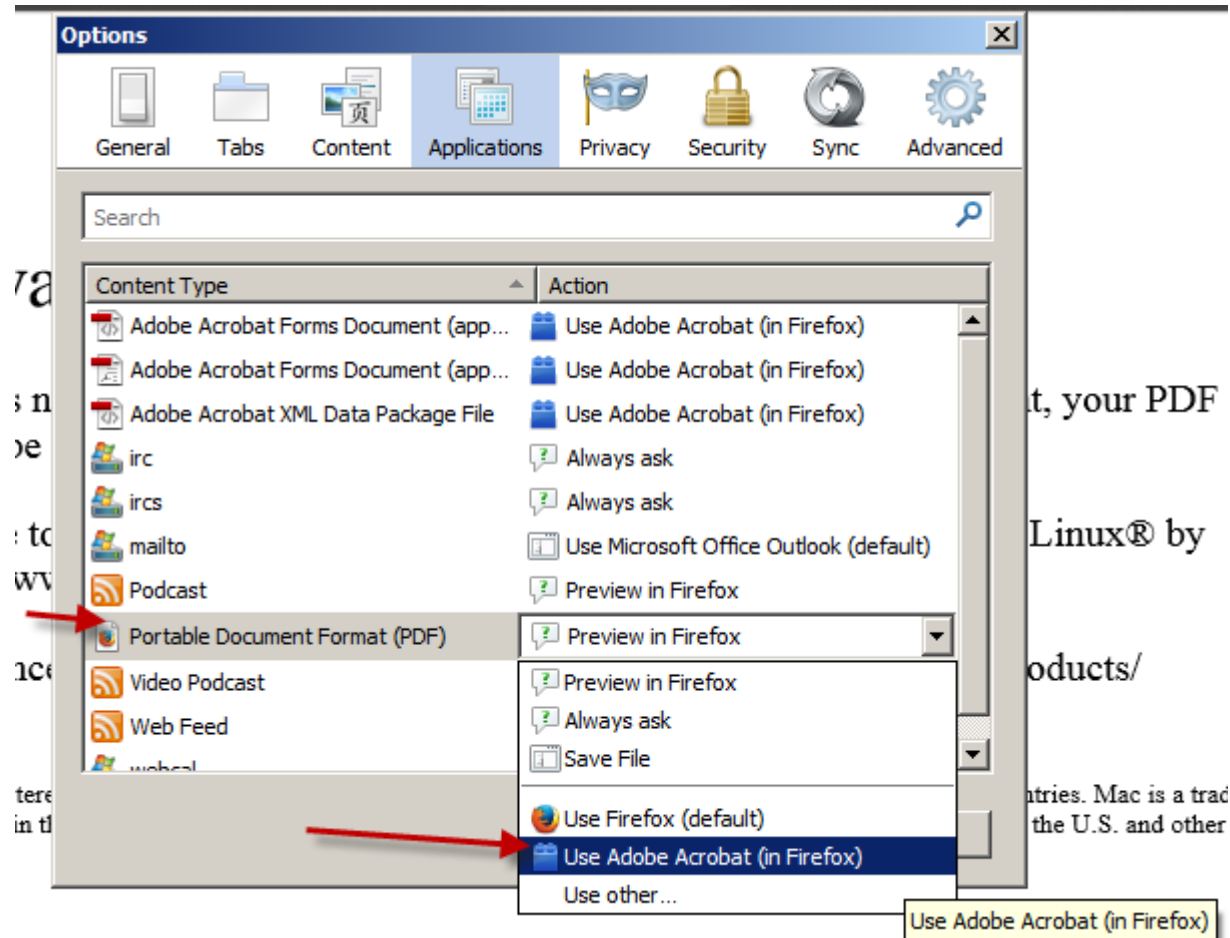

nts of the document, your PDF
